## PROFILE

Vigorously pursues quality and marketability through strong skills established by working hard and hands on experience. Skilled at handling multiple assignments under demanding time constraints and consistently meeting deadlines. Highly organized, dedicated and committed to professionalism with a positive attitude.

## QUALIFICATIONS

Proficient in a variety of programs, applications and platforms. Ability to quickly learn and adapt to new software and situations.

Fluent in use of Photoshop, Illustrator, InDesign, Quark Express, Flash, Dreamweaver, Bryce 3D, and Final Cut Pro on both PC and Macintosh platforms.

Working knowledge of HTML, PHP, CSS and Java based scripting in developing websites.

## EXPERIENCE

**Sales & Marketing Director**  
**ImageWare USA - Oslo, Norway - Dallas, TX**  
**August 2007 - November 2008**

Design, sales and marketing responsibilities representing an international company to the North American market. Meeting face to face with clients to achieve a desired outcome using custom manufactured promotional products.

**Graphic Designer**  
**May Advertising International - The MAXX Group, Fort Worth, TX**  
**July 2005 - October 2006**

Responsible for the conception and design of licensed products and marketing materials. Involved in art department production jobs including spot color and CMYK pre-press, color proofing and preproduction samples of products. Responsible for the art department Macintosh IT needs.

**Design Director / Disc Replication & Print Broker**  
**A. Ivy Design - Fort Worth, TX**  
**April 1998 - Present**

Responsible for the conception, design and completion of projects for an eclectic group of clients. Majority of work focused on website concept and design, compact disc design and manufacturing, catalog design and production, design of group targeted mailers, billboards, signage and corporate identity.

Worked closely with clients to achieve and accomplish their goals while maintaining artistic integrity.
